FCC Rules and Regulations
FCC Contact# 888-225-5322

I. Antennas – Satellite Dish Installation
   1. A "dish" antenna may be installed if less than (1) meter in diameter.
   2. Must be installed in exclusive use areas only. This means the balcony or
      patios of your condominium.
   3. Multiple Dwelling Unit:
      • Exclusive Use Area: means for private use of owner only.

   4. Internet and Data Units may now be installed re: New FCC rule.
      This is the most recent amendment

   5. May not be installed in Common Areas such as:
      Walkways, hallways, exterior walls or on the roof.

   6. If installed incorrectly owner will be allowed (21) days after receiving written
      notice by mail to remove.
         a. After that time, they can be fined by the Condo Association.
         b. They are also required to repair any damaged areas due to installation.
